

## Malakai

Malakai sings with a soul surprising in one so young yet at 15 years old, this young balladeer is already a seasoned performer. Accompanying himself on piano and guitar, his music combines a unique balance of sophisticated artistry and youthful vulnerability. As an emerging songwriter, Malakai composes songs that are a portal of passion and sentiment. Covering folk, pop, and R&B ballads, he has a way of taking any song and making it his own. From theatres to festivals, Malakai has been captivating audiences since the age of seven.
